MOLLIE ISAACS

“Rediscover Your Creative Core”

Monday, February 22, 2021 - 7:00 pm

Delaware Photographic Society

OPEN TO THE PUBLIC

Capturing eye-catching and compelling images is what most photographers strive for. This program will share ideas on how to make your work stand out from the rest, and will take your creativity to the next level. You will learn how to find your creative core, and learn ideas and approaches that will give your work the edge you want. These ideas will work with a variety of subjects including flowers, landscapes, birds, abstracts, and more. You will also pick up some tips on easy and fun ways to make creative im-

ages of flowers and small subjects at home. Join Mollie for this educational and inspirational program.

Mollie Isaacs is a professional photographer who specializes in Nature, Wildlife, Flowers, and Abstracts. She is passionate about photography, and loves nothing more than to share that passion by teaching others. Early in her career she studied with Ansel Adams and Joyce Tenneson. She has won the Kodak Gallery Award 14 times, considered by some to be the “Oscar” of photography. Her work is in the Permanent Collection of the International Photography Hall of Fame, and has been exhibited at Epcot Center in Disney World, and Grand Central Terminal in NYC. She runs Awake The Light Photo Workshops & Tours, offers online Webinars, and personally leads photo workshops around the country and beyond. Read more about her and see her work on www.awakethelight.com.

No registration required. **To attend:** On the night of the webinar go to www.dpsphoto.org, scroll down to the meeting notice and click on the Zoom Meeting link.
