CHAIRMAN'S COMMENTS

On the scheduled day of judging the exhibition, January 23, the US East Coast was hit with one of the worst snow storms in recorded history. About 20 inches (50 cm) fell during a 24-hour period. Two judges were unable to travel and had to cancel. The roads were closed. Fortunately, we were able to get half the judging done on the prior day, and the other half on the following day. Two members of the Delaware Photographic Society who have extensive judging experience substituted for the two snow-bound judges.

The 2016 Wilmington International Exhibition of Photography took two steps to lighten the burden on the volunteers and to help support the exhibition financially.

The first one was the difficult decision to no longer return prints to the entrants. I know that we disappointed some potential entrants who love to get their prints returned but the amount of work involved in sorting, repackaging and shipping has proved to be too large a burden for our volunteers.

Secondly, during the entry process, each print entrant had the opportunity to indicate if he or she would donate their prints to the Delaware Photographic Society. Proceeds from public sale at the exhibition will defray the costs of framing and exhibiting the prints. I am glad that a significant fraction of the entrants checked off that box. This means we no longer have to destroy some of the fine prints, and that they will please their buyers for a long time to come.

I would like to thank the judges that are listed in this catalog for braving the elements and for traveling from far and wide, including Singapore, Hong Kong, California and Nebraska. I would also like to thank the PSA Mid-Atlantic Chapter, the Delaware Valley Council of Camera Clubs (DVCCC) and the South Jersey Camera Club (SJCC) for donating medals. Thanks also to the commercial sponsors, our patrons and the Delaware Division of the Arts for supporting the exhibition financially, and to Pettinaro Relocation for use of the processing facilities.

Chairman, Wilmington International Exhibition of Photography

PICTORIAL PRINTS

Bob Hunt, Marvin Gerstein and Healthy Kin Hong Tam

MARVIN GERSTEIN, FWIEP, Wilmington, DE. Marvin's exposure to photography began with elemental darkroom work in his early teens experiencing the thrill of watching an image appear "magically out of nowhere." After a long absence from film photography, he entered the digital world in 2002. Marvin has won numerous awards, is a Fellow of the Wilmington International Exhibition of Photography, and is a past Vice President of the Delaware Photographic Society where he has been a member since 2003. His photographs have been shown in numerous local exhibitions and been published in *Black and White*

magazine and other periodicals. Marvin has a particular interest in capturing a moment of ordinary life. His photographs strive to convey an emotion, mood, or feeling in the viewer including loneliness, isolation, alienation, even desperation. While not beautiful on the surface, these moments are part of the human experience and play a significant role in his photography. Marvin prefers that his images stand alone and speak for themselves. His images can be seen at www.mjgerstein.smugmug.com.

BOB HUNT, Wilmington, DE. Bob's formal photographic education was at the US Army Signal Corps School at Ft Monmouth New Jersey, where he graduated first in his class and served on the teaching staff until his deployment to Europe. After his military service, he first worked as a photographic equipment field engineer. In Patchogue, New York, Bob was the owner and principal photographer of Studio East Photography, a studio recognized for commercial and event photography. Since leaving the profession Bob has reclaimed his amateur status and won awards in local and international competitions. He considers himself a photographer of opportunity, never knowing what he will find on an outing. Over his 13 years of Delaware Photographic Society membership, he has held many positions including President, Education Director and Wilmington International Exhibition Chair. He is the current chair of the DPS Standards Committee, teaches basic classes in photography and gives seminars on vacation photography. See his diverse style at www.photosbybobhunt.com.

HEALTHY KIN HONG TAM, HONFPSEA, HONPSEA, ARPS, Hong Kong. Healthy developed a love of art as a child, added to it by learning from professionals and then earning a diploma in digital photography and editing. He showed a strong commitment to improving his work by learning darkroom technique and experimenting with different film and lenses in order to improve the creativity and diversity in his ongoing effort to create photographic art. He has participated in themed seminars and solo exhibits and published a book, . He has received awards from competitions around the world and has judged in many international salons. Healthy is an active businessman, but always finds time for photography on his business trips. He is involved in various photographic societies, including his recent presidency of Hong Kong's Photographic Salon Exhibitors Association, and has led a group of young photographers with the hope of sharing his knowledge and love of photography with the next generation.

PHOTOJOURNALISM

Don Doll, Bob Craig and Don Shenk

BOB CRAIG, Retired News-Journal Staff Photographer, Elkton, MD. Bob's fascination for Photojournalism and storytelling began in high school. Covering a high school football game resulted in a "Decisive Moment" for him. Looking at his negatives later revealed that he had captured a graphic knee injury as it took place. Publishing that image changed Bob's life and he hopes his images have also changed some of those that he may have touched along the way. His yearning to capture a moment and make a connection has only grown over the years. This has allowed

him to develop the ability to make a connection and most of all, approach stories with understanding and empathy. Although Bob has traveled the world, his career was based locally on coverage of people and events, allowing him to get to know most of the people whose images he captured as they grew and changed. His work can be seen at: www.bobcraigphoto.com.

DON DOLL SJ, Professor Emeritus: Journalism, Omaha, NE. Father Doll was introduced to photography when assigned to the Rosebud Reservation in South Dakota as a young Jesuit. His published books include *Crying for a Vision*; *Vision Quest: Men, Women and Sacred Sites of the Sioux Nation*; and *A Call to Vision: A Jesuit's Perspective on the World*. His work has been published in *National Geographic*, displayed in traveling public exhibits and included in *Passage to Vietnam*, *Christmas in America* and eight *Days in the Life of...* books. Active in the National Press Photographers Association, he also received PSA's highest photojournalism award in 2014. He was inducted into the Omaha Press Club's Hall of Fame and has received photographic awards from Nikon, the Nebraska Arts Council, and the National Press Club. A two-year project, "*The Jesuits*," took him around the world and he has photographed for the Jesuit Refugee Service in Africa, Southeast Asia, and the Middle East. Fr. Doll, now Professor Emeritus, taught at Creighton University for over four decades. His work can be seen at: <http://magisproductions.org>.

DON SHENK, SFWIEP, Lancaster, PA. Don is a self-taught photographer who began capturing images in his early teens and his passion continues to this day. His images have appeared in local publications (newspapers and *Lancaster County Magazine*) and national publications (*Farm&Ranch*, *Country*, *Country Extra*, *Scale Auto Enthusiast* and other magazines), in several Reiman books, and on postcards. He is a charter member of Lancaster (PA) Camera Club, established in 1987. He served as President twice and was awarded Photographer of the Year several times. In addition to remaining active in the club, he is a lifetime member of New Danville Fire Company where he serves as the photographer. Don enjoys many aspects of photography with fire and emergency scenes and scenic Lancaster County Amish and farm images being a large part of his portfolio. He enjoys competitions and was thrilled to be able to achieve the status of Senior Fellow of WIEP last year.

HONORED MEMBERS OF THE WILMINGTON INTERNATIONAL EXHIBITION OF PHOTOGRAPHY

WIEP Honors are earned through accumulated jury acceptances of prints and projected images compiled annually. Ten acceptances over the current ten year period are required for Associate status. Associates achieve Senior status with ten additional acceptances, for a total of twenty, without time limitation. Associates who accumulate a total of 50 or more acceptances are named Fellows of the exhibition, and those who achieve 100 or more acceptances are awarded Senior Fellowship status. New Associates are only listed for the year that they qualify. Entrants with ethics violations do not qualify for WIEP Honors. PSA honors are listed according to the current PSA directory.
