Please join us to enjoy about 500 images representing some of the best photography in the world. As the in-person exhibition for 2020 was cancelled at the last minute due to Covid-19 concerns, we have created two Audio Visual Presentations of both the winning Projected Images as in the past, and also, new this year, of the Print Images. Presentations include both Accepted Images and the Medal Winners in Projected Images, Photo-journalism, and all of the Print categories.
