CHAIRMAN'S COMMENTS

*The 87th Wilmington International Exhibition of Photography (WIEP) was a tremendous success thanks to the dedicated contributions of over 50 volunteers from the **Delaware Photographic Society**, whose commitment and hard work ensured that our exhibition ran smoothly. We are grateful to the WIEP Section Directors, the many volunteers, and the judges' host families who all helped to make the exhibition a success.*

This year at WIEP we received over 1,000 prints and over 1400 projected images from around the world. The accepted images that are displayed on the walls of the exhibition hall, and those presented during the projected image show highlight the best of the best of the images entered.

*WIEP continued to be one of the few exhibitions that displays framed and matted prints. We continued to ask entrants to donate their prints to help support the matting, framing and exhibiting of the photography for our exhibition at the **University of Delaware, Wilmington Campus**. We are grateful to the entrants who chose the donate option at the time of exhibition entry to help support the efforts of our exhibition. The sale of prints from around the world helps us to continue our excellent exhibition that attracts thousands of visitors each year. In addition to the matted and framed prints, a professional audio-visual presentation of the best projected images was shown, which is available on a DVD along with the exhibition catalog.*

*The entire WIEP Team, and the members of the Delaware Photographic Society, send many thanks to the panel of judges that traveled from **The United Kingdom** and from all over the **United States** to judge over 2500 images in a single day. The judges selected some of the finest examples of photographic art for your enjoyment.*

*We also would like to thank the **PSA Mid-Atlantic Chapter**, the **Delaware Valley Council of Camera Clubs (DVCCC)** and the **South Jersey Camera Club (SJCC)** for the donation of medals. Thanks also to our commercial sponsors, our patrons, and the **Delaware Division of the Arts** for supporting the Exhibition financially, and to **Pettinaro Residential** for their generous donation of an apartment for use in our processing activities. Additionally, We would like to thank **B&H Photo Video, Cameras Etc.**, and **Kehtron Computers** for graciously agreeing to serve as vendors during our exhibition.*

JUDGES

PROJECTED IMAGES

**MALCOLM JENKIN, J.R. SCHNELZER,
NANCY SPEAKER**

MALCOLM JENKIN, GMPSA/S, EFIAP/D2, REDRUTH, CORNWALL, ENGLAND ★ Malcolm lives in a photogenic region that he intends to spend more time photographing in his retirement. He has been involved in photography for over 50 years and, during the film era, his main interest was social photography, concentrating on portrait and wedding images. He enjoyed the creativity afforded by darkroom work and spent many happy hours there. For years, he also taught courses in photography at a nearby college. He belongs to the local camera club, Camborne Redruth in Cornwall, and joined PSA in 2010. He began entering exhibitions,

something that he regrets he did not have time for when working, and finds that it gives him an incentive to get out and create more images, hopefully better than the last. His exhibition success has earned him multiple distinctions beginning in 2012, and last year he achieved Grand Master/silver as well as another prestigious award. Malcolm enjoys travel, frequently visiting locations both home and abroad, and judging locally as well as internationally. <https://psa-photo.org/index.php?jenkin-malcolm-0317#ad-image-0>

J.R. SCHNELZER, APSA, EPSA, AFIAP, MILLIKEN, COLORADO ★ J.R. is Executive V.P. of PSA, and has over 40 years of photographic experience. He began his passion for photography working in his father's darkroom, later attending Ohio State University working on an MFA in photography. In 2019, he was named first in the world in both color and monochrome small prints. He judges locally, regionally and internationally. J.R. is a past President of the Loveland Photographic Society and is responsible for the formation of the Center for Fine Art Photography in Colorado. He has done work for Mannheim Steamroller and has been represented in many magazines and books. Serving as a Ranger in both the Grand Tetons and Rocky Mountain National Parks brought him close to the nature he enjoys. He says, "Photography is the process of creating future memories. My work is my language: I view the world in terms of their form and beautiful light. The hope of my art is to hold for you, in the subsiding of life's rush, the beauty of Visual Moments." <https://psa-photo.org/index.php?ropa-jr-schnelzer-0119#ad-image-0>

NANCY SPEAKER, QPSA, UPLAND, CALIFORNIA ★ Nancy is a retired educator with 38 years of experience as a classroom teacher, Principal, New Teacher Supervisor, and University Adjunct Professor. With retirement, she has been able to return to her love of creating art with organic and digital watercolor painting and photographic tools. She considers herself a digital artist inspired by the new variety of tools and software that allow her to turn her photos into her artistic vision. Within the Photo Art community, she is a frequent presenter on various photography topics including the use of Photoshop and Creative Photography. She is an active member in several PSA Study Groups, three Camera Clubs, and the Associated Artists of the Inland Empire. In PSA she served as the Director of the Individual Creative Competition for three years, currently serves as the Director of Interclub Competitions for the Projected Image Division (PID), and is in her third year as the PID Chair. She was the recipient of a PSA service award in 2019. spkrphot.com

PICTORIAL PRINTS

**BARBARA JENKIN, PAUL SPEAKER,
LISA SCHNELZER**

BARBARA JENKIN, GMPSA/S, SPSA, ARPS, EFIAP/D1, REDRUTH, CORNWALL, ENGLAND ★ Barbara has been taking photos for many years and embraced the digital era early on, enjoying the creative process which it readily allows. A member of the Camborne Redruth Camera Club, she began entering exhibitions when she joined PSA in 2010. Her success has earned her a succession of distinctions beginning in 2012, and she currently holds Grand Master/silver, which she gained last year. Her successful portfolios resulted in a BPSA in 2016 and SPSA in 2018. Recognition in other photographic organizations includes

ARPS and EFIAP/d1. Her passions have changed and developed as the challenge of creating new images for exhibitions spurred her on to try different areas of photography. Five years ago, she took up portrait photography, and then embraced fine art nude photography. She enjoys experimenting within these genres and applying creative techniques. Currently she is exploring nature photography and the world of dance. <https://psa-photo.org/index.php?jenkin-barbara-0317#ad-image-0>

LISA SCHNELZER, QPSA, MILLIKEN, COLORADO ★ Thanks to Lisa for stepping in to replace Kui C Lam whose flight could not leave Hong Kong due to the coronavirus outbreak. After traveling around the world with a borrowed Nikon camera during a semester at college, Lisa soon fell in love with photography. Since that time she has immersed herself in the art and science of photography, taking many classes and workshops and meeting her future husband J.R. at the local college where he taught as a photography instructor. Shortly after that she joined PSA and continued her journey of photographic learning by entering juried art shows, receiving awards both locally and internationally. She has been actively involved in competitions and judging as a member of the Loveland Photographic Society since 1996, including judging the local Youth Showcase. During her time on the Board of Directors of two art organizations, Lisa promoted photography as a fine art medium, and also served on the PSA Board of Directors as the Membership Vice President for one year

PAUL SPEAKER, PPSA, M.PHOTO, M.ARTIST, CR, CPP, UPLAND, CALIFORNIA ★ Paul is a Lifetime member of Professional Photographers of America (PPA), and served on the PPA Council for nine years. Through PPA, he is a Certified Professional Photographer, and has also earned the PPA Master of Photography Degree, the Photographic Craftsman Degree, and the Master Artist Degree. At the state level, he is recognized as a California Master Photographer. In PSA, he received his first ROPA distinction, PPSA, in September, 2017 and is currently a member of the PSA Ethics Review Board. He serves as President of the Southern California Council of Camera Clubs (S4C) and is a member of two S4C affiliated clubs. After graduating from Brooks Institute, he worked as an Industrial Photographer for General Dynamics for ten years. When the Division was sold, he moved to Lifetouch, where he photographed large groups, dances, sports and seniors for the next ten years. After taking his first Photoshop class in January, 2000, he became a full-time retoucher for a local full service portrait studio. He is currently semi-retired. spkrphot.com

PHOTOJOURNALISM

SCOTT FISHER, JERRY HABRAKEN,
STEVEN FISHER

SCOTT FISHER, CAREER JOURNALIST, YORK, PENNSYLVANIA ★ Scott is a husband, father, musician, runner, cyclist, and hiker who started out editing a group of weekly newspapers in the Wilmington, DE area. After moving to The York (Pa) Dispatch as a news editor, and then opinion writing and editorial page editor, he took that same position at York Daily Record, becoming one of the most decorated journalists in York County. He handles opinion material for YDR and Lebanon Daily News, and manages operations and works on investigative pieces at Gannett's Chambersburg Public Opinion. As community engagement editor

for YDR, he produces public events and is point-person for their successful "Fixing York PA" Facebook group, an initiative Gannett is using as a model for a new digital tool to bring community conversations and action initiatives on site. He is also lead editor on a massive regional project focused on the health of the Susquehanna River and Chesapeake Bay. The year-long effort involving journalists from many Gannett properties will include stories, videos and photos, an interactive data map, and a video documentary featuring an aerial tour of the area. Scott recognizes the power of images to tell stories.

STEVEN FISHER, FPSA, MPSA, BREMERTON, WASHINGTON ★ Steve, a PSA member since 1986, was honored as a PSA Associate in 2005 and as a Fellow in 2015. He qualified for the MPSA (Master) distinction by achieving eight galaxies in both Nature and Photojournalism. He was also awarded Master Photojournalist, the fifth recipient in the U.S. and the eleventh worldwide. An experienced scuba diver and underwater photographer, he received the Elmore R. Chatham Award for his article "A Fish-Eye View" in the December 2015 PSA Journal. He is also PSA's underwater photography mentor. He got his start in local newspapers during the 1980's by submitting underwater images of interest, with the encouragement of fellow f:67 Camera Club members. Now his typical subjects include structure fires, auto accidents, storm events and public demonstrations. He has been a frequent judge at the Northwest International Photo Salon in Puyallup, Washington, including PJ Print sections. He also judged the PJ projected sections of the 2017 PSA International Exhibition.

JERRY HABRAKEN, VISUAL JOURNALIST, WILMINGTON, DELAWARE ★ Jerry is a staff photographer for The News Journal/Delaware Online in New Castle, Delaware. As a kid, he began taking photos for his local newspaper with his father who was a newspaper photojournalist in his hometown of Sevierville, Tennessee. Jerry went on to study photojournalism and graduate from Western Kentucky University in 2013. After three and a half years as a photojournalist at the Texarkana Gazette in Texarkana, Texas, he moved up to Delaware where he works today. Jerry has won numerous top press awards from the Arkansas Press Association, Texas Press Association, and North and East Texas Press Association, and has freelanced for clients such as ABC, The Houston Chronicle, BuzzFeed, and MIT. He also documented the Philadelphia Eagles Super Bowl winning season, culminating in coverage of Super Bowl 52 in Minneapolis.

The **Delaware Photographic Society (DPS)** was organized on January 28, 1931 as the **Delaware Camera Club** to encourage and develop interest in photography. The objectives at that time were to get the best authorities to give lectures on photography, to have discussion groups within the membership to share knowledge, and to arrange a photographic exhibition in Wilmington. The name was changed to the Delaware Photographic Society in 2001, with photographic education as the prime mission along with the original objective. The programs listed in this Schedule of Events were selected to provide a varied photographic experience. DPS is a Charter Member of the **Photographic Society of America (PSA)** and of the **Delaware Valley Council of Camera Clubs (DVCCC)**.

The poster for the 82nd Annual PSA Photo Festival in Colorado Springs features a photograph of ancient stone ruins, likely Anasazi, built into a red rock cliff. The text is overlaid on the image. At the top, it says "82nd Annual PSA Photo Festival" in large, white, bold, sans-serif font. Below that, the dates "September 30 to October 3, 2020" are written in a smaller, white, bold, sans-serif font. In the center, the words "Colorado Springs" are written in a very large, white, bold, sans-serif font. At the bottom, the text "Photo Tours Sept. 29th thru Oct. 3rd" is written in a white, bold, sans-serif font. The background of the poster is a photograph of the ancient stone ruins, which are built into a red rock cliff.
